B. RESPONSE TO QUERIES

QUERY/ISSUE	BAC/END-USER RESPONSE/CLARIFICATION
The submission of the 2018 Audited Financial Statement (AFS) to the Bureau of Internal Revenue (BIR) is on 15 April 2019, would our PhilGEPS Platinum Certificate be considered valid?	The current PhilGEPS Platinum Certificate may be accepted by the Committee, however, the <u>updated</u> PhilGEPS Platinum Certificate, together with the 2018 AFS and/or Income tax Return (ITR) duly received by the BIR, must be submitted in the Post Qualification Evaluation within the prescribed period stated in the Notice of Post Qualification.

	<p>It is understood that the deadline for submission of the audited AFS and ITRs to the BIR is 1) every 15th of April subsequent to the end of calendar year and 2) every 15th day of the 4th month following the close of the fiscal year-end (for those with fiscal year-end). It bears stressing, however, that taxpayers can prepare and file their AFS and ITRs ahead of the deadline set by the BIR, and, accordingly, update said Class "A" eligibility document in their PhilGEPS Platinum Certificate. <u>This must be properly observed by prospective bidders on the succeeding procurement projects of DOST-ASTI.</u></p>

Please be guided accordingly.
