B. RESPONSE TO QUERIES

QUERY/ISSUE	BAC/END-USER RESPONSE/CLARIFICATION
Regarding similar contract, we would like to clarify if it is acceptable, to submit largest contract for desktop only or laptops only or would it be for various IT equipment?	For the Single Largest Completed Contract (SLCC), various IT equipment will be accepted.
Can we submit separate SLCC for each lot that we are intending to bid on?	Per Government Procurement Policy Board (GPPB) Non-Policy Matter (NPM) 149-2015 dated 27 November 2015, which provides: [T]he reference of the required minimum percentage of the amount of the SLCC to be complied with is the ABC. The reason behind such policy is that the ABC is a factor that appropriately reflects the magnitude and complexity of a contract, such that a bidder who has completed a similar contract of a reasonable percentage may be presumed capable of performing the obligations if awarded the contract. <u>Thus, in the case of a procurement that is divided into several lots, where each awarded lot gives rise to a separate contract, the SLCC requirement shall be based on the ABC for each lot.</u> Foregoing considered, the Procuring Entity will accept SLCC for each lot.
For the warranty period of Item 2. Laptop, Thirty (30) Units, it states two (2) years. May we request that the warranty for battery be set to its standard warranty which is one (1) year?	The warranty stated in said item is for the whole laptop and not just the battery. The warranty has been amended to one (1) year warranty.
For Item Nos. 3 and 4, may we request if you can accept the pre-installed power supply of the brand and model offered for the power supply requirement. Upon checking higher power supply was intended for a clone box unit.	The requirements for the power supply, for said items, have been amended already.

<p>For Lot 1 and Lot 2, requesting to relax the video graphics to generic 2gb GDDR5 (minimum) graphics, since not all brands can match or have an equivalent or better for the Nvidia Geforce MX230 in their laptops.</p>	<p>Request denied. Specifications for the video card are the minimum already.</p>
<p>Can we use our certificate of PhilGEPS of registration even if it's until March 1, 2020? We already apply the new one and it's on process. Since we are in lockdown period for months we are just processing the latest one lately.</p>	<p>GPPB NPM 147-2017 dated 29 December 2017 (Clarification on Section 4.1.1 of GPPB Circular No. 07-2017), states that:</p> <p><u>[For all procurement projects advertised and/or posted on 2 September 2017 onwards, a bidder may submit their Class "A" Eligibility Documents in lieu of the PhilGEPS Certificate of Registration and Membership, if it has not yet obtained a Platinum Membership; or if already registered under Platinum category, their PhilGEPS Certificate of Registration and Membership in lieu of the uploaded file of Class "A" Documents, or a combination thereof, in the event that some Class "A" documents earlier submitted with PhilGEPS already expired, but a renewal thereof had already been secured.</u> In case the bidder submits only its Class "A" Documents, the PhilGEPS Certificate of Registration and Membership (Platinum Membership) shall still be submitted as part of the post-qualification documents required under Section 34.2 of the 2016 IRR of RA 9184.</p> <p>For purposes of bid submission, the Procuring Entity will accept Class "A" Documents without requiring its PhilGEPS Certificate of Registration and Membership (Platinum Membership). Please note, however, that the requirement of the PhilGEPS Certificate of Registration and Membership (Platinum Membership) is not completely dispensed with, as the Procuring Entity shall still require its submission during the post-qualification period.</p>
<p>In no 5. Eligible Bidders under 5.5, we are required to pass the latest Audited Financial. Can we use the old audited financial? As we all know that we are in a lockdown period for almost 2 to 3 months as we cannot process the latest one. Our audited financial is now on process. What can we provide if you not allowed the old one?</p>	<p>Kindly refer to the answer on PhilGEPS Certificate of Registration and Membership.</p>

Attached to this Supplemental/Bid Bulletin are the amended forms for Section VI. Schedule of Requirements and Section VII. Technical Specifications. Bidder/s may **(1)** indicate compliance in the original and amended forms or **(2)** revise the forms in the DOST-ASTI Bidding Documents to reflect changes in the Supplemental/Bid Bulletin and indicate compliance. These forms must be submitted as part of the Technical Component of the bid.
