What are the eligibility documents to be submitted due to ongoing COVID-19 crisis?	<p>Government Procurement Policy Board (GPPB) Non-Policy Matter (NPM) 147-2017 dated 29 December 2017, with subject Clarification on Section 4.1.1 of GPPB Circular No. 07-2017, states that:</p> <p><i>“[F]or all procurement projects advertised and/or posted on 2 September 2017 onwards, a bidder may submit their Class “A” Eligibility Documents in lieu of the PhilGEPS Certificate of Registration and Membership, if it has not yet obtained a Platinum Membership; or if already registered under Platinum category, their PhilGEPS Certificate of Registration and Membership in lieu of the uploaded file of Class “A” Documents, or a combination thereof, in the event that some Class “A” documents earlier submitted with PhilGEPS already expired, but a renewal thereof had already been secured. In case the bidder submits only its Class “A” Documents, the PhilGEPS Certificate of Registration and Membership (Platinum Membership) shall still be submitted as part of the post-qualification documents required under Section 34.2 of the 2016 IRR of RA 9184.”</i></p> <p>Foregoing considered, the Procuring Entity (PE) may accept Class “A” Documents without requiring its PhilGEPS Certificate of Registration and Membership (Platinum Membership); however, the submission of subject document shall not be completely dispensed</p>

	<p>with, as this will be required in the post-qualification period.</p> <p>Furthermore, due to limited access to financial institutions, regulatory and other offices, as well as government restrictions on transport and travel brought by the COVID-19 pandemic, the GPPB issued Resolution No. 09-2020, dated 07 May 2020. A copy is attached to this document, for reference.</p>
<p>What is the scope of the Single Largest Completed Contract (SLCC)? Can we use as SLCC, a test equipment or any electronic equipment?</p>	<p>Test or electronic equipment is acceptable for SLCC computation purposes.</p>
<p>Since there are separate lots, for instance we will just bid for certain items and not all, how are going to compute the minimum 50% value of the SLCC, is it based on the value of each item or the total amount of the items that we are going to participate in? If it is the latter, will it be fine to use a single project for all items even though it is just the same in nature in one of the items?</p>	<p>GPPB NPM 149-2015 dated 27 November 2015 provides:</p> <p><i>“[T]he reference of the required minimum percentage of the amount of the SLCC to be complied with is the ABC. The reason behind such policy is that the ABC is a factor that appropriately reflects the magnitude and complexity of a contract, such that a bidder who has completed a similar contract of a reasonable percentage may be presumed capable of performing the obligations if awarded the contract. Thus, in the case of a procurement that is divided into several lots, where each awarded lot gives rise to a separate contract, the SLCC requirement shall be based on the ABC for each lot.”</i></p>

Please be guided accordingly.
