WHEREAS, Section 7 of Republic Act (RA) No. 9184 mandates that no government procurement shall be undertaken unless it is in accordance with an approved APP consistent with the yearly budget and approved by the Head of the Procuring Entity (HoPE);

WHEREAS, Section 10, Article IV of RA No. 91842 provides that all procurement shall be done through Competitive Bidding, except as provided for in Article XVI thereof;

WHEREAS, the DOST-ASTI Bids and Awards Committee (BAC) received **Purchase Request No. GAA-24-02-18734 dated 27 February 2024**, together with a market study, for the procurement of the aforesaid item;

WHEREAS, on **25 March 2024, 09:00 AM**, a **Pre-procurement Conference** was held online via Microsoft Teams Application with the DOST-ASTI BAC, BAC Secretariat, and end-user representatives in attendance, to determine the readiness of the procurement project;

WHEREAS, on **26 March 2024**, the Invitation to Bid and the DOST-ASTI Philippine Bidding Documents (PBD) for subject procurement were published on the websites of the Philippine Government Electronic Procurement System and DOST-ASTI, as well as in latter’s conspicuous place reserved for the purpose, consistent with Section 21, Rule VII of the 2016 revised Implementing Rules and Regulations (IRR) of RA No. 9184;

WHEREAS, on **02 April 2024, 9:00 AM**, a **Pre-bidding Conference** for said procurement was conducted by the DOST-ASTI BAC through videoconferencing via MS Teams, which was opened to prospective bidders, in compliance with Section 22.1, Rule VII of the 2016 revised IRR of RA No. 9184;

WHEREAS, as a result of the discussion and clarifications made during the Pre-bidding Conference, the DOST-ASTI BAC issued **Supplemental Bid Bulletin No. BAC-2024-04-004** on **08 April 2024**, amending Section VII. Technical Specifications of the DOST-ASTI PBD;

WHEREAS, only one (1) prospective bidder purchased and submitted PBDs prior to the deadline of submission on **15 April 2024, 09:00 AM**, specifically **EGM Systems Global Technologies, Inc.**;

WHEREAS, during the scheduled Opening of Bids for subject procurement on **15 April 2024, 09:30 AM**, the DOST-ASTI BAC opened the bids of **EGM Systems Global Technologies, Inc.** in public and in the presence of the bidder’s representative/s to determine the bidder’s compliance with the eligibility, technical, and financial requirements specified in the DOST-ASTI PBD. Said Opening of Bids was conducted by the DOST-ASTI BAC through a blended meeting arrangement;

WHEREAS, during the preliminary examination of bids on **15 April 2024**, the DOST-ASTI BAC examined the submitted documents by **EGM Systems Global Technologies, Inc.** versus a checklist to ascertain if the required documents were all submitted, using a non-discretionary “pass or fail” criterion;

WHEREAS, during the opening of the first envelope (technical component) submitted by **EGM Systems Global Technologies, Inc.**, the DOST-ASTI BAC noticed that the List of Eligibility Documents or Annex “A” of the Certificate of PhilGEPS Registration (Platinum Membership) was not updated as the 2023 Audited Financial Statements (AFS) was still reflected in said document instead of 2024 AFS. It was observed that the deadline for submitting the 2024 AFS to the Bureau of Internal Revenue (BIR), which was 15 April 2024, coincided with the opening of the bids;

WHEREAS, to decide on the matter, the DOST-ASTI BAC members agreed to put the same into voting on whether or not to continue with the checking of the technical documents of **EGM Systems Global Technologies, Inc.** or to disqualify the prospective bidder due to the submission of 2023 AFS. The majority of the DOST-ASTI BAC members, that is, three (3) out of five (5) members present, voted to accept the submission and proceed with the eligibility checking given that **a)** the validity of the AFS is until 15 April 2024 and **b)** the PhilGEPS registration of the prospective bidder is not yet suspended at the time of bid opening;

WHEREAS, during the Opening of Bids, **EGM Systems Global Technologies, Inc.** was declared “eligible” for having submitted complete eligibility and technical requirements. Consequently, its financial envelope was opened which revealed its bid amounting to **Six Million Four Hundred Ninety-Three Thousand Pesos Only (₱6,493,000.00)**, inclusive of all government taxes and other fees and charges;

WHEREAS, the bid submitted by **EGM Systems Global Technologies, Inc.** having passed the requirements, was subjected to detailed bid evaluation pursuant to Section 32 of the 2016 revised IRR of RA No. 9184 and was found to be complete and substantially complying, and was ranked as follows:
