

02 May 2022

**ASTI – BIDS AND AWARDS COMMITTEE
BAC Resolution No. 22-05-058**

**DECLARATION OF FAILURE OF BIDDING FOR THE SUPPLY AND DELIVERY OF ONE (1) LOT
AUTOMATIC IDENTIFICATION SYSTEM (AIS) DATA SERVICES**

Purchase Request No.	:	SAR-AIS-22-02-13170
Date of Purchase Request	:	04 February 2022
Invitation to Bid No.	:	22-04-3798
Solicitation No.	:	22-04-3798
PhilGEPS Reference No.	:	8598114
Approved Budget for the Contract	:	₱8,716,501.00

WHEREAS, included in the Supplemental Annual Procurement Plan (APP) No. 3 for Fiscal Year 2022 of the Department of Science and Technology (DOST) - Advanced Science and Technology Institute (ASTI) is the **Supply and Delivery of One (1) Lot Automatic Identification System (AIS) Data Services** with a total Approved Budget for the Contract (ABC) amounting to **Eight Million Seven Hundred Sixteen Thousand Five Hundred One Pesos Only (₱8,716,501.00)**;

WHEREAS, Section 7 of Republic Act (RA) No. 9184 mandates that no government procurement shall be undertaken unless it is in accordance with an approved APP consistent with the yearly budget and approved by the Head of the Procuring Entity;

WHEREAS, given the exceptional circumstances brought about by the Coronavirus disease (COVID-19) pandemic, especially implementation of different community quarantines and suspension of public transport services, it is challenging to both the Procuring Entities (PEs) and the bidders to continue with the conduct of procurement activities, thereby having risks of exceeding the maximum calendar days allowed for specific procurement activities. In view of this, the Government Procurement Policy Board (GPPB) issued GPPB Resolution No. 09-2020 dated 07 May 2020 titled, "Approving Measures for the Efficient Conduct of Procurement Activities during a State of Calamity, or Implementation of Community Quarantine or Similar Restrictions";

WHEREAS, so as to "maximize the use of existing rules under RA No. 9184, its IRR and related issuances on the conduct of procurement activities, particularly those meant to streamline, simplify and expedite the conduct of procurement and address the challenges and disruptions brought by calamities and crisis such as the COVID-19 pandemic", the GPPB enjoin PEs in the above Resolution to use videoconferencing, webcasting and similar technology in the conduct of any of the meetings and determination of quorum by the Bids and Awards Committee (BAC) and use of digital signatures in procurement related documents;

WHEREAS, on 07 April 2022, 09:00 AM, a Pre-procurement Conference was held online via Microsoft Teams Application with the BAC, BAC Secretariat, and end-user representatives in attendance, to determine the readiness of the procurement project;

WHEREAS, on 12 April 2022, the Invitation to Bid for the Supply and Delivery of One (1) Lot Automatic Identification System (AIS) Data Services was published on the Philippine Government Electronic Procurement System, DOST-ASTI website, and conspicuous place within the premises of the PE reserved for the purpose;

WHEREAS, due to the different community quarantines implemented in the country, a Pre-bidding Conference was held via videoconferencing on 19 April 2022, 09:00 in the morning, which was attended by four (4) prospective bidders, specifically, **(1) Skymap Global Philippines, Inc., (2) Geo-Surveys & Mapping, Inc., (3) SRDP Consulting, Inc., and (4) Scan Marine, Inc.;**

WHEREAS, on 22 April 2022, the BAC issued Supplemental Bulletin No. BAC-2022-04-011 amending Section VII. Technical Specifications and Service Level Agreement of the Bidding Documents, as well as answering queries of prospective bidder/s;

WHEREAS, SRDP Consulting, Inc. and Geo-Surveys & Mapping, Inc. submitted their bids before the 09:00 AM deadline on 02 May 2022 and on the same day, 09:30 AM, the BAC conducted the Opening of Bids through a blended meeting arrangement;

WHEREAS, during the stages of eligibility check and preliminary examination of bids, SRDP Consulting, Inc. and Geo-Surveys & Mapping, Inc. were declared "INELIGIBLE" due to the following reasons:

SRDP CONSULTING, INC.

1. **PhilGEPS Registration Certificate (Platinum Membership) (all pages) in accordance with Section 8.5.2 of the IRR** – Even though the bidder's Platinum Certificate is valid until 24 November 2022, it was found out that the **Audited Financial Statement** of SRDP Consulting, Inc. was filed on 23 June 2020, as reflected in Annex "A" of its PhilGEPS Platinum Certificate, thereby making the same patently insufficient. Pursuant to GPPB Resolution No. 15-2021 dated 14 October 2021, *"the updating of a Platinum Certificate requires the uploading of the most current and updated Class A Eligibility Documents covered by Section 8.5.2 of the same IRR during the one-year period of its validity."*

GEO-SURVEYS & MAPPING, INC.

1. **Conformity with the Technical Specifications, which may include production/delivery schedule, manpower requirements, and/or aftersales/parts, if applicable** – Geo-Surveys & Mapping, Inc. failed to indicate compliance with four (4) parameters under the technical specifications, thereby making their submitted document patently insufficient. End-user representative manifested that the four (4) parameters are crucial for said procurement project.

WHEREAS, Section 35.1(b) of the 2016 revised IRR of RA No. 9184 provides that the BAC shall declare the bidding a failure when all prospective bidders are declared ineligible;

NOW, THEREFORE, for and in consideration of the foregoing, **WE**, the members of the BAC, **RESOLVE**, as it is hereby **RESOLVED**, to:

- 1) **DECLARE** the failure of bidding for the Supply and Delivery of One (1) Lot Automatic Identification System (AIS) Data Services;
- 2) **CONDUCT** mandatory review and revise the terms, conditions, and specifications, and if necessary, adjust the ABC based on the findings in the mandatory review; and
- 3) **REPOST** the opportunity for second public bidding.

RESOLVED, at the DOST-ASTI, Quezon City, this 2nd day of May 2022.
