B. RESPONSE TO QUERIES

QUERY/ISSUE	BAC/END-USER RESPONSE/CLARIFICATION
As the incumbent partner managing the Procuring Entity's Microsoft licenses, the bidder notes that the organization's current Microsoft licensing enrollment is under the Microsoft Products and Services Agreement (MPSA). In this regard, may the BAC clarify whether the bidding strictly requires retention of the existing MPSA enrollment, or whether bidders are allowed to propose a transition to the Microsoft Cloud Solution Provider program as part of the contract implementation, without affecting bid responsiveness.	The Procuring Entity intends to retain its existing MPSA enrollment for the duration of the contract.

ADDITIONAL INSTRUCTIONS: Prospective bidder/s are required to: 1) amend the form to update existing information or 2) submit a copy of supplemental bulletin with statement of compliance or signature of authorized representative. **Non-compliance with this requirement shall be grounds for disqualification.**

Please be guided accordingly.
