**B. RESPONSE TO QUERIES**

QUERY/ISSUE	BAC/END-USER RESPONSE/CLARIFICATION
<p>We are currently renewing our Tax Clearance with the Bureau of Internal Revenue (BIR). Therefore, our PhilGEPS Platinum Certificate is not yet updated. May we submit a certification that we are still processing our Tax Clearance with the BIR?</p>	<p>Government Procurement Policy Board Non-Policy Matter No. 065-2017 dated 21 December 2017 provides that for purposes of complying with the eligibility requirements, the Tax Clearance, and all other eligibility documents, must be valid and existing at the time it is submitted to the BAC, that is, on or before the deadline for the submission of bids. Thus, an expired Tax Clearance shown in Annex "A" of the PhilGEPS Platinum Certificate shall not be considered as sufficient compliance, without the new and valid Tax Clearance attached in the bid submitted by the bidder. The belated submission of the Tax Clearance during the post-qualification shall be considered a modification or improvement of the bid, which is not allowed under Section 26 of the 2016 Revised IRR.</p>

**ADDITIONAL INSTRUCTION/S:** Prospective bidder/s are required to **amend** the form to update existing information. **Non-compliance with this requirement shall be ground for disqualification.**

Please be guided accordingly.
