B. RESPONSE TO QUERIES

QUERY/ISSUE	BAC/END-USER RESPONSE/CLARIFICATION
<p>For the SLCC of Roofing Works, should we apply the Bill of Quantities of the exact expenses even if the project is more than fifty percent (50%)?</p>	<p>It is mandatory for a prospective bidder to show that the value of SLCC, that is similar to the contract to be bid, is at least fifty percent (50%) of the ABC to be able to bid in such project. Hence, the prospective bidder should submit an SLCC similar to General building construction works with installation/repair of roofs.</p> <p>The total contract amount for general building construction works shall be accepted by the DOST-ASTI BAC for the SLCC. However, as an additional requirement, <u>the DOST-ASTI BAC will require evidence indicating that the general building construction works have installation/repair of roof or similar metal works such as Bill of Quantities, etc.</u></p>

ADDITIONAL INSTRUCTION/S: Prospective bidder/s are required to: 1) amend the form to update existing information or 2) submit a copy of supplemental bulletin with statement of compliance or signature of authorized representative. **Non-compliance with this requirement shall be grounds for disqualification.**

Please be guided accordingly.
