Can we use a contract named "Large Format Printer" as our Single Largest Completed Contract (SLCC) for this Project? Upon browsing the documents, it should be similar to the contract to be bid which is UV Flatbed Printer. Technically they are the same printer but the difference is the Large Format Printer is roll to roll in form and the UV Flatbed Printer is in Flatbed form	Yes, you may submit the contract named "Large Format Printer" as your SLCC.

ADDITIONAL INSTRUCTION/S: Prospective bidder/s are required to: 1) amend the form to update existing information or 2) submit a copy of supplemental bulletin with statement of compliance or signature of authorized representative. **Non-compliance with this requirement shall be grounds for disqualification.**

Please be guided accordingly.
